The oldest of the speeches on our list by quite some margin. The famed Greek statesman Demosthenes is regarded as one of the finest orators of all time. The 'Third Philippic' was delivered as a call to arms against Philip II of Macedon, and was the most successful single speech in his long campaign against the contentious king, who had instigated widespread fighting throughout Ancient Greece.

When I ask people, “Please share the things that have shaped your life”, they come up with big things, mainly traumatic events that were hard to ignore. I can relate to this too, because when I worked on my own list, the first things that came up were the big things - moving house, changing city, changing country, the birth of my kids, loss and painful failures.
