Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

14 Best Books on Learning and Building Great Study Habits

Having study guides for these tests is vital, since there are few specific skills to practice or study. Improving your chances of getting the highest score possible will be a matter of understanding the question type and becoming familiar with the different formats. These free study guides will help you in both of those areas.
