Am I the only sane person around? - posted in Light Pollution: I live in this weird neighborhood. Every time I set up my telescope and commence observing, everyone feels compelled to rush to the bathroom, then leave the light for the rest of the night, or park their car on the drive with the headlights pointing straight at me!

Am I the only sane person around? - Light Pollution ...

you are the only one here connecting INFJs to these "special powers" so no I don't think someone insulting you correlates to insulting every single INFJ. I like how you seem to think that your own feeling are perpetuated by your entire type though, just shows your immaturity and craving to be a special snowflake.
