### Project MUSE - Children, Sexuality, and the Law

While aware that sexual expression is a necessary part of human development, law rarely contemplates the complex ways in which it interacts with children and sexuality. Just as the law circumscribes children to a narrow range of roles—either as entirely sexless beings or victims or objects of harmful adult sexual conduct—so too does society ...

### Children, Sexuality, and the Law- Combined Academic

Child sexual abuse has been recognized specifically as a type of child maltreatment in U.S. federal law since the initial Congressional hearings on child abuse in 1973. Child sexual abuse is illegal in every state, as well as under federal law.

### Child sexual abuse laws in the United States - Wikipedia

Sexuality is an inherent part of each child of God. We are created "in the image of God" (Genesis 1:27), which means that our bodies, including our sexual organs, are a divine creation. Experiencing sexual feelings and sexual arousal is normal. Children don't need to act on those feelings and sensations but instead can be mindful of them.

### How, When, and Why: Talking to Your Children about Sexuality

Under the European Commission's plans, the center would help coordinate actions among the EU's 27 nations in the areas of law enforcement, deterrence and assistance for victims of child sex abuse.

### EU shares plans to prevent child sex abuse

Laws against child sexual abuse vary by country based on the local definition of who a child is and what constitutes child sexual abuse. Most countries in the world employ some form of age of consent, with sexual contact with an underage person being criminally penalized. As the age of consent to sexual behaviour varies from country to country, so too do definitions of child sexual abuse.

### Sexual Violence Against Children And Gender ... - Live Law

The clearest examples of sexuality during childhood are genital fondling and sexual play, although there are also subtler indicators that many children are aware of their own and others' sexuality. These include noticing children of the other sex and how their bodies differ, as well as observing how the adults around them act.
