Retail Operations Manual | Retail Training Services

A store manual is a guideline that your franchisees and their employees can use to maintain standards. As you might know, franchise branches need to maintain a set quality of service and products because customers expect consistency.

16 Key Things You Need To Include In A Store Manual

Retail Store Procedures Manuals Over the years many retailers have contacted us to inquire if we could assist them by developing new (best practice) or revising (to best practice) existing retail store operating procedures.

Retail Store Procedures Manuals

Retail can fall under goods or services. Some stores are both. A retail clothing store is mostly goods. A dry-cleaner offers a service. A tire store sells both a product (tires) and service (installation). Traditionally, the term store meant a brick-and-mortar store, but increasingly people blur the distinction, even referring to online stores.

Intro Guide to Retail Store Operations | Smartsheet

Make several copies of the manual, give one to each employee and store a spare near the cash register for easy reference. To begin creating policies, decide how you would like for your retail store and your employees to handle these items of business. Then ask yourself the following questions:

How to Set Policies and Rules for Your Retail Store

Retail store rules and regulations for employees shape the culture of your store, so it's a good idea to draft them before you open. It's not just about work hours and their assigned duties but also how they treat the customers and deal with each other — is dating coworkers allowed, for instance?
