In Saint Paul, Alain Badiou argues that, throughout the apostle 'authentic' writings we can find a clear fidelity to a universal and an event (an event is something that happens without any anticipation - like a thief in the night). The event, for Paul, is the resurrection of Christ. The universal, for Paul, is that Jesus rose from the dead.

Saint Paul: The Foundation of Universalism by Alain Badiou

In this bold and provocative work, French philosopher Alain Badiou proposes a startling reinterpretation of St. Paul. For Badiou, Paul is neither the venerable saint embalmed by Christian tradition, nor the venomous priest execrated by philosophers like Nietzsche: he is instead a profoundly original and still revolutionary thinker whose invention of Christianity weaves truth and subjectivity ...
