This updated Standard Operating Procedure (SOP) revises the guidance issued in the May 17, 2012, Postal Bulletin (PB 22337, page 76) that addresses the recycling of larger volt dry-cell batteries. The latest revision provides for the use of an Intelligent Mail barcode that can be printed from an online website. Additionally, this SOP establishes:

One of the easiest way to write standard operating procedures is to see how others do it. What I've done this week is share 7 examples of different standard operating procedures examples (also called SOPs) so you can see how different organizations write, format, and design their own procedures. Over the coming weeks, we will analyze these documents and prepare a series of templates that ...
