The Globalisation Of Addiction A

'The Globalization of Addiction' presents a radical rethink about the nature of addiction. Scientific medicine has failed when it comes to addiction. There are no reliable methods to cure it, prevent it, or take the pain out of it. There is no durable consensus on what addiction is, what causes it, or what should be done about it.

The Globalization of Addiction: A Study in Poverty of the ...

Addiction is a coping mechanism for "dislocation," which can arise from certain disastrous circumstances, such as the colonialist destruction of indigenous cultures, but is a fundamental In "Globalization" Professor Alexander delivers a very convincing case that we are manufacturing addiction by the process of economic globalization & the social dislocation that inevitably goes with it.

Addiction is increasing all around the world, and the conventional remedies don't work. The Globalization of Addiction argues that the cause of this failure to control addiction is that past treatments have focused too single-mindedly on the afflicted individual addict. This book presents a radical rethink about the nature of addiction.

[PDF] The Globalization Of Addiction Download Full - PDF ...

"The Globalisation of Addiction" is scholarly, meticulously researched, passionately critical of the free-market economy, biased, speculative, selective, and quite wonderful. It is basically an indictment of the capitalist free-market ethic that is being with increasing rapidity imposed on the rest of the world.

"The Globalisation of Addiction: a study in poverty of the ...

The Globalisation of Addiction's argument often makes surprising turns and explorations - each worth following for its information about the history of Western culture and about the contemporary world. Part of what is disorienting is the book's unusual combination of conventional, North American understandings - including its use of the word "addiction" - and its utterly unconventional and thoroughgoing expansion of such understandings across categories, cultures, and historical epochs.

Review of "The Globalisation Of Addiction: A Study In ...

Global society is drowning in addiction to drug use and a thousand other habits. This is because people around the world, rich and poor alike, are being torn from the close ties to family, culture, and traditional spirituality that constituted the normal fabric of life in pre-modern times. This kind of global society subjects people to unrelenting pressures towards individualism and competition, dislocating them from social life.

Bruce K. Alexander's Globalization of Addiction Website

This resource shows that the social circumstances that spread addiction in a conquered tribe or a falling civilisation are also built into today's globalizing free-market society, and argues that the most effective response to a growing addiction problem is a social and political one, rather than an individual one.
