True Enough Learning To Live

"True Enough: Learning to Live in a Post-fact Society" is a lament for the widespread absence of impartiality in the public mind vis-à-vis major issues affecting the lives of Americans. In a rare departure from the norm the author states clearly (although very late in the book) what he is trying to do:

True Enough: Learning to Live in a Post-Fact Society ...

"True Enough" is filled with this sort of fascinating and illuminating detail. Political partisans probably ought to know that Farhad's results favor the left side of the aisle. Republicans, he shows, are more likely than Democrats to limit their media intake to sources they already agree with, a phenomenon called selective exposure.

Review: True Enough by Farhad Manjoo - TechCrunch

Learning to Live in a Post-Fact Society - True Enough by Farhad Manjoo True Enough is an exploration of how facts are dealt with in the news and media. It explains how our preconceptions and opinions shape the way we experience reality, and how media producers manipulate us by using our notions to their advantage.
