Unity 3D: 3.5 Essential Training

(techno tones) - Hi, I'm Adam Crespi, and welcome to Unity 5 3D Essential Training. In this course, we'll look at building a game in 3D in Unity. I'll start by showing you how to create a project, importing a player controller and setting up the scene. Then I'll show you how to import in assets, bringing in models and textures from 3DS Max and Maya.

Unity 5: 3D Essential Training - lynda.com

- [Craig] I'm Craig Barr, and welcome to Unity Essential Training. Unity is a complex, powerful, and fascinating engine for generating games and realtime visualizations. In this course, we get right down to the fundamentals of Unity, from project setup, navigating the user interface, to requirements for preparing assets for Unity. We also dive in and examine how to work with different assets ...
