I just bought a 2001 Dodge Intrepid with the 2.7 Liter engine. I was driving it home and all of the sudden the oil light came on and I drove a few blocks and all of a sudden the engine began clattering very loudly and the engine completely stalled and the car would not start again and I had to have it towed home.

AF: 2.7 Dodge Intrepid engine problem | Allpar Forums

The 2.7-liter engine manufactured by Daimler Chrysler made a name for itself, and not in a good way. The engine, which was used in the Chrysler Concorde and the Dodge Intrepid, among other models, was notorious for catastrophic engine failure as a result of oil sludge. Having an engine failure is no laughing matter, ...
