A police Taurus was a GL trim with the 3.8 liter Essex V6 engine that was slightly different from the regular Essex engine. Output of the police Essex version was 15 bhp (11 kW) greater than the standard due to the addition of a dual exhaust muffler system, similar to that standard on the SHO; a Y-pipe was added after the resonator, which allowed for the split to both sides of the rear of the ...

Used 1995 Ford Taurus Features & Specs | Edmunds

In the late 1990s – early 2000s, the Taurus was ousted from the market by Japanese mid-size sedans, so Ford decided to focus on the production of crossovers and comfortable SUVs, and on October 26, 2006, the Taurus was discontinued. It was decided to replace the model with new full-size and mid-size sedans Ford Five Hundred and Ford Fusion (version for the American market).
