Welcome to The American Presidency Project | The American ...

This is an altogether fascinating book on how American Presidents have used, misused, or ignored secret intelligence in the 20th Century. Although Andrew provides a brief introductory chapter on how U.S. presidents from Washington onward have used secret intelligence, the bulk of the book concerns 20th Century presidents from Woodrow Wilson to George W Bush (senior).

Read PDF Presidents And The American Presidency

Presidents and the American Presidency engages students in the study of the presidency through an exploration of both the political institution and the men who have held the office. Considering both the strengths and the weaknesses of the office, authors Lori Cox Han and Diane J. Heith move beyond purely theoretical analysis to examine the real-life, day-to-day responsibilities and challenges that go with the job.

Presidents and the American Presidency: Cox Han, Lori ...

Woodrow Wilson was probably right when he said that it is easier to speak of presidents than it is of the presidency.[1] Because the presidency is held by only one person at a time, and because there have been only forty-five men who have held the office, the study of the presidency invites biography as its most obvious mode of analysis. This approach undeniably has some benefits for the ...

In contrast to many countries with parliamentary forms of government, where the office of president, or head of state, is mainly ceremonial, in the United States the president is vested with great authority and is arguably the most powerful elected official in the world. The nation's founders originally intended the presidency to be a narrowly restricted institution.
