A word square is a special type of acrostic. It consists of a set of words written out in a square grid, such that the same words can be read both horizontally and vertically. The number of words, which is equal to the number of letters in each word, is known as the "order" of the square.

Word square - Wikipedia

In each of the these word searches, words are hidden horizontally, vertically, or diagonally, forwards or backwards. Can you find all the words in the word lists?
