War Cry (Courtney, #15) by Wilbur Smith - Goodreads

Warcry is an active skill that provides situational benefits to players and is typically aligned with melee characters because they only affect nearby enemies and allies. In addition to the bonuses, warcry skills naturally taunt enemies within their range to attack the player instead of his allies, allowing one party member to act as a "tank".

War Cry is a short, action-oriented novella by Brian McClellan. Like his previous works in the Powder Mage Trilogy universe, the author mixes magic and more modern methods of warfare together to create a unique world; a tantalizing backdrop for this tale of soldier Teado and his small band of soldiers caught up in a brutal conflict.
