provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed

Access PDF Way Beyond

for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Monochrome - Elsevier

Way Beyond
Monochrome is a book for advanced amateur and semi-professional traditional photographers, who have at some time developed and printed their own images but want to improve negative and print quality. It will take the reader on a journey, which will transform 'trial and error' into
