Caroline Mitchell returns with a chilling new psychological thriller Witness. This is a gripping story of revenge, of a sad twisted relationship and a victim being played with. We follow Rebecca, who ten years ago testified against her boyfriend Solomon and put him behind bars. She has moved on and now lives in Wales, happily married with a child.

## **Witness by Caroline Mitchell - Goodreads**

Mitchell's story-telling is genius and despite my frustration at Rebecca's decision making I understood why she made those decisions. And I defy anyone who reads Witness to claim they saw the end twist coming ... what a totally unexpected head-on freight train crash that is! Witness is a psychological thriller that cannot be missed.
